**Assistance League Thrift Shop — New Home, Same Great Bargains**

Assistance League Denver's Thrift Shop is known as one of the best and friendliest thrift shops in the area. And it's moving this spring from its longtime East Colfax address to a new location, 6265 E. Evans near the intersection of Evans and Monaco. The location is new but you can still discover the same great bargains on a wide variety of merchandise, including estate sale items.

Assistance League Denver is a 100 percent volunteer, nonprofit organization committed to serving children and adults in the greater Denver area through its philanthropic programs. Chartered in 1958, Assistance League Denver was the first chapter of the National Assistance League to be located outside of California. Members

**New Location:** Assistance League Denver is moving from its longtime residence to 6265 East Evans (Evans and Monaco) this spring.

are excited and proud to be celebrating 60 years of service.

Last year, members donated over 32,000 hours serving more than 9,000 children and adults. The 285-member group also returned nearly \$423,000 in program services to the community.

The Thrift Shop is a major source of funding for the Assistance League Denver's nine philanthropic programs, generating 80 percent of the organization's funds. You can find great bargains for yourself while helping others at the same time.

The Thrift Shop is staffed and managed entirely by member volunteers. You can count on the merchandise being good quality, clean and fairly priced. There's something for everyone at the Thrift Shop. You'll find clothing for men, women and children along with baby clothes and accessories.

The Thrift Shop also has sporting goods,

toys, housewares and linens along with seasonal items and jewelry — all at affordable prices. There are books for every age and you can even shop its selection of antiques and collectibles.

Gently used items for donation, which are tax deductible, are always appreciated.

The new location also provides plenty of free parking. Right next door to the Assistance League Denver Thrift Shop is the nonprofit's Hospital Equipment Lending Program and The Assistance League Event Center.

**Longtime Real Estate Agents Join Forces To Create Re/Max Urban Properties**

Renowned real estate brokers Angela Fox and Lori Abbey are transforming the real estate game in the Mile-High City. Bringing over 25 years of combined experience, Fox and Abbey are two dynamic women who are professional, dedicated, and well-connected in the community. In fact, Fox was one of the first Ambassadors of the Greater Glendale Chamber of Commerce and has been a member since 2002.

Fox and Abbey bring a combined quarter of a billion dollars in real estate sales experience to the brokerage. Their newly minted partnership signifies a shift in the roles agents will play in the real estate business as Re/Max Urban Properties is already changing the face of brokerages in Denver.

"By creating a team of agents who have gone through our entrepreneurial training, are detail-oriented, and ready to make sales, we are attracting other agents who want to and will be experts," Fox explains. "Hiring intelligent people and giving them the tools to succeed is positioning Re/Max Urban Properties to become the leading real estate company in Denver."

Re/Max Urban Properties owners Fox and Abbey represent the next generation of real estate agents as everyone in the company possesses experience with and knowledge of all of the major Denver Metro areas. "We want our agents selling and being active in their communities, aligning with their passions and interests with their career, not stuck behind piles of paperwork," said Fox.

Fox adds, "We care. We care about our agents. We care about our clients. We care about the community. We believe in collaboration and the greater good of combined efforts. We love and give with passion. I don't know of any other brokerage that has a monthly designated charity. We exist to show that good ol' fashioned customer service cou-

pled with a lot of hustle can elevate the lifestyle of our agents and the reputation of the real estate industry!"

"Re/Max Urban Properties inspires a culture of giving," says Abbey. "We focus on helping and giving to a

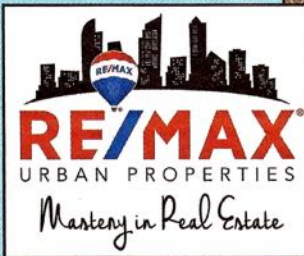

different charity each month and host a monthly charity for our agents to connect to the community and with their clients."

Even their independently owned office is located in the heart of Denver's vibrant Five Points neighborhood. Fox and Abbey's leadership and ability to build and cultivate relationships set them apart from other brokers as the pair brings an unparalleled mix of expertise and familiarity that attracts clients from all over the Denver area.

"We don't hire just anyone," said Abbey. We are seeking experienced real estate agent game changers who want to have fun while making an awesome living and making a difference in the lives they serve. We have an amazing culture that's simply one of a kind. We inspire our agents to elevate their career and their lifestyle."

"We pride ourselves in the art of collaboration and the unique culture that our company offers," says Abbey. "Because we encompass real estate mastery in residential, multi-family investment, and land properties, our clients can expect a team that always provides a professional, full-service home buying and selling experience."

**April Business Before Business Workshop Teaches Members How To Relieve Stress**

On April 17, 2018, the Greater Glendale Chamber of Commerce hosted the Business Before Business Workshop. The Egg and I served as the venue for guest speaker David Sandusky of *idea chic* who had a comprehensive presentation about how to strengthen the "Fight or Flight" muscle.

Did you know 75-90% of all doctor visits are stress related? Tension builds over time and bad things can happen in our personal and business lives. Sandusky shared how he learned to maintain an active entrepreneurial life while keeping stress at a reasonably healthy level. Drawing from personal stories, Sandusky engaged the crowd with his wit, humor, and relaxed style of speaking.

The next workshop will be held on May 15, 2018, from 7:30 to 9 a.m. at The Egg & I at Leetsdale and Holly. Visit [www.ggchamber.com](http://www.ggchamber.com) for more information.

For more information on joining the Greater Glendale Chamber of Commerce and upcoming Chamber events visit [www.ggchamber.com](http://www.ggchamber.com).

<p>The Glendale Girls Club empowers professional women to grow in business and in life, greatness through collaboration and connection to others and community. The GGC was founded in 2017 as a private member organization for professional women in the Denver area. We hold a quarterly professional development luncheon, educational seminars, monthly social events and provide support for non-profit organizations that benefit women. We have had an incredible first year and are looking forward to making an even bigger impact in 2018. We would love for you to be a part of it!</p>
